How our substrates are composed

The diagram (shown on the left) illustrates example of the most common structure for each product category.

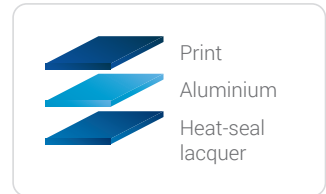

Milk Bottle Top

Aluminium lidding. Printed or lacquered. Specific alloy properties for optimum machine running, or laminate options

- Reel-fed material
- 25 to 50µ aluminium (or laminate structure)
- Rotogravure printing up to 8 colours, multi-side printing available in one pass

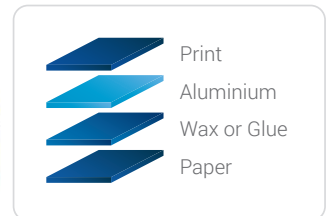

Processed Cheese

Complete, high quality system for processed cheese: shell foil, lid foil and tear strip

- High performing Heat-sealable aluminium packaging
- Tear-tape optional • Embossed and/or printed designs available

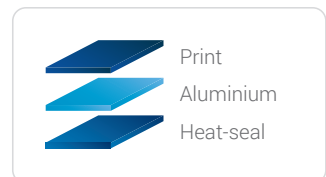

Block Butter Wrap

The proven wrapper solution

- Aluminium/paper laminate (wax or glue application)
- Embossed and/or printed designs available
- Rotogravure printing up to 8 colours, multi-side printing available in one pass

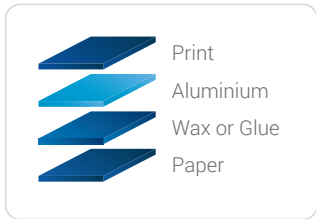

Yoghurt Lids

High performing yoghurt heat sealing materials

- Reel-fed material (die-cut option available)
- 25 to 90µ aluminium • Heat-sealable to PE/PET/PS/PPS
- Standard or proprietary emboss patterns available
- Rotogravure printing up to 8 colours, multi-side printing available in one pass

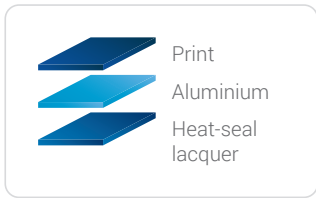

Soft Cheese

- Reel-fed aluminium packaging • Paper/foil laminate
- Unsupported foil gauge starting from 8µ
- Rotogravure printing up to 8 colours, multi-side printing available in one pass

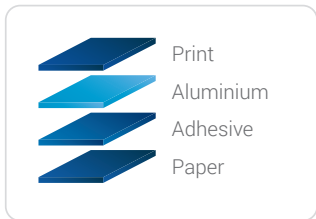

Butter Portion Pack Lid

- Peel Seal lidding with lacquering or print options
- Heat-sealable foil
- Rotogravure printing up to 8 colours, multi-side printing available in one pass

Ice Cream Cone Paper Laminate

- Good release and rigidity, and freeze proof laminate structure
- Reel-fed material • Aluminium / paper laminate
- Rotogravure printing up to 8 colours

Overview of Dairy products range

Below is an illustrative overview of the basic product range for this market with available functional or structural options:

	Alu - unsupported	Printed Aluminium	Alu / Paper Laminate	Alu / Film Laminate	Heat-seal option	Emboss
Processed Cheese	●	●			●	●
Soft Cheese	●	●	●	●	●	●
Block Butter		●	●	●	●	●
Portion Pack Butter Lid	●	●	●	●	●	
Milk Bottle Top	●	●				
Yogurt Lid	●	●			●	●
Ice Cream Cone Laminate		●	●	●	●	●
